Minutes:

1. The meeting was called to order at 9:12 AM. .
2. Attendance was recorded by Staff.
3. The minutes of the April 7, 2006 meeting were approved.
4. A status report was provided with regard to Phase 3. Plans will be submitted for permitting with the County in 3 weeks and bidding will occur shortly.
5. Mr. Kurlancheek stated that the Art in Public Places Board is reviewing a proposal by Staff for artwork in the plazas with the following conditions: no impact on construction schedule, funding above the cost of what was planned will not be from the construction project, and that the artwork will be well defined locations does not affect the construction. He said the Art Board will meet on May 5 for a tour of similar projects in the County and that members of the Crandon Implementation Committee were invited to attend the Art Board meeting and/or the tour. The Council approved the plans for the Key Colony intersection with no pedestrian walkway on the North and with U turns from the South and North. There was discussion by the Committee and residents who attended the meeting. A rendering of a revised electronic message board sign was presented by Staff. The Committee deferred action to provide an opportunity to review a similar sign at Ponce de Leon High School across from the University of Miami. A rendering of a Civic Center pole sign was presented by Staff. The Committee approved the sign without directional arrows for the Chamber of Commerce.
6. A next meeting was not scheduled at this time.
7. Respectively Submitted
